As Dr. Anne Alonso, professor of clinical psychology at Harvard Medical School and esteemed member of **GROUP's** editorial board, reminds us, it is essential to keep group treatment and theory in the forefront of the mental health world, given its personal and economic effectiveness. And **GROUP** does just that!

Sponsored by the **Eastern Group Psychotherapy Society**, the New York City regional affiliate of the American Group Psychotherapy Association, **GROUP** publishes an incomparable spectrum of original, far-reaching, and practical peer-reviewed articles—clinical, theoretical, and historical—addressing both small and large group processes across a myriad of vantage points and disciplines.
