

## **EGPS Consultation Group**

**The EGPS Consultation Group is welcoming additional members.** The Consultation Group focuses on the challenges clinicians - seasoned, early career, and trainee - face in agencies, hospitals, and other non-private organizational settings. Consultation sessions especially **focus on group process and theory, and on navigating the unique challenges of working in agencies and other organizations.**

The group, a project of the EGPS Social Action Committee, offers an excellent opportunity for clinicians and trainees to enrich their work and learning. The co-leaders are two senior EGPS group leaders and supervisors, **Lee Kassin and Amanda Michael.**

This is a not-for-profit EGPS sponsored activity and the fee for this program is **\$20/session for EGPS members/students and \$25/session for non-members.**

**While the first session has passed, additional members are welcome to join in December, for the remainder of the group.** Participants must commit to and pay for all remaining sessions before the December 2 meeting. Before committing, prospective members will be able to talk to a group leader and ask any questions, during an introductory phone screening.

The group meets from **2:00-4:00 PM in midtown Manhattan** on the following **Sundays: December 2, January 6, February 10, March 10, April 7, May 5 and June 9.**

**Email Jacky Hunt at [huntjacky@gmail.com](mailto:huntjacky@gmail.com) by Friday, November 23 if you're interested in joining, or to learn more.**
