

The EGPS Monthly Consultation Group (on Zoom!)

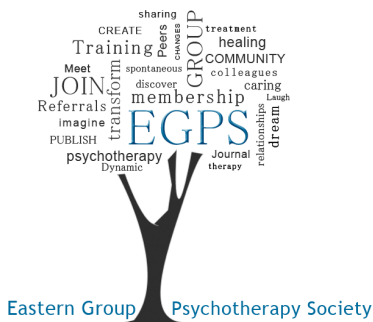

The Eastern Group Psychotherapy Society Monthly Consultation Group has the goal of supporting all clinicians -- seasoned, early career, and trainee -- in addressing the special clinical and professional challenges faced in **schools, agencies, hospitals, and other organizational settings.**

Topics covered include:

- **Clinical practice**
- **Group process and theory**
- **Race, gender and other identities**
- **Organizational challenges**

In an interactive, small group format, the group offers an excellent opportunity for clinicians and trainees to enrich their work and develop professionally. The co-leaders are two senior EGPS group leaders and supervisors, **Anne McEneaney** and **Anthony Patterson** (see reverse for leader bios). Prospective members will have a chance to speak first with one of the leaders.

This is a not-for-profit EGPS Social Action Committee sponsored activity. The fee is **\$20/session for EGPS members and students, and \$25/session for non-members** (to be paid in advance for the year).

The group will meet from **2:00-4:00 PM**, over **Zoom** on **Sundays: 10/11, 11/1, 12/6, 1/3, 2/7, 3/7, 4/11, and 5/2.**

Email Joe Hovey at joeHovey@gmail.com if you're interested in joining or learning more. The application deadline is September 30, 2020.
